## Call for Entries: International Competition “beyond bauhaus - prototyping the future”

To mark the centennial anniversary of the Bauhaus, in 2019, „Germany - Land of Ideas“ is seeking visionary design concepts / Apply online by 31 March 2019, at [www.beyondbauhaus.com](http://www.beyondbauhaus.com)

**Berlin, 12.02.2019** - The international competition „beyond bauhaus - prototyping the future“ will award prizes to twenty groundbreaking design concepts that address relevant social issues and contribute to making our world a healthier, fairer, more sustainable and better place. Projects will be assessed on creative vision, sustainability and potential social impact.

The competition is open to designers and creatives from across the world and seeks prototypes in the development stage as well as pioneering projects already implemented, from all design disciplines: from basic research and materials science to product design, fashion, architecture, urban development, mobility and future technologies (for example: coding software or 3D printing processes). An international jury will select the winners, which will be presented at the official Bauhaus celebrations in Berlin, in late August 2019. This competition is supported by the German Foreign Federal Office, Lotto Stiftung Berlin and SAP SE. For further information please visit [www.beyondbauhaus.com](http://www.beyondbauhaus.com).
